## ARTS

### It's Time to Dumpster Dive for Recycled Art(icles) Show

When it's time to take out the trash, don't do it. Rummage through it first and see if there's anything that can be used for Western's 2007 Recycled Art(icles) Show. Last year, more than 50 local artists used their talent, imagination and unused objects to create paintings, sculptures, useful items and indescribable "things." The always-popular juried art show is back for the 12th consecutive year and will show in both the College Gallery and Main Gallery at the Carson City campus.
